About Us

Party City Houston has been serving the Houston area for over 30 years with two locations, The Woodlands and Humble. We are preferred vendors for all our local ISDs and we are excited to give back!

We are family and locally owned and operated. Our owners grew up in the community. They are raising their own children here and take great pride in volunteering and giving back to the communities they live in.

We are excited to share these opportunities with you and hope that we can bless your school or organization with some fun and savings!
